

# FIREARMS TRAINING & SELF-DEFENSE

**TACTICAL U** Firearms Training and Self Defense Academy teaches you how to keep your family safe and win a lethal encounter!

If you knew you were going to be involved in a gun fight, would you go into it unprepared? Of course you wouldn't. You would seek out the techniques and learn them. You would then practice, just like an athlete going into the big game. Except this is not a game, this is life or death.

## **CONCEALED HANDGUN TACTICS & SAFETY**

**4 Hour Range Day Fee \$200**

This course is designed for civilians and security contractors who carry a concealed handgun lawfully and are looking to sustain and improve their skill-set in those tactics needed to safely, quickly, and efficiently employ their handgun from concealment.

Here is your opportunity to get out and run through dynamic courses of fire taught hands on from current and retired Certified Law Enforcement SWAT & Firearms Instructors.

The class will offer the student a variety of training, including drawing and shooting from the concealed carry position with a handgun, close quarters combat, barricade shooting, positional shooting, shooting on the move, defensive shooting, verbal challenges, advanced point shooting, shooting from a improvised positions, emergency tactical, speed & hot reloads, malfunctions & stoppages clearing, as well as use of cover and concealment.
